Dead Heather Chandler**

HEATHERS THE MUSICAL: HIGH SCHOOL EDITION

DEAD HEATHER CHANDLER steps out of the shadows.

START

DEAD HEATHER CHANDLER

Oh, look who's having second thoughts.

(DEAD HEATHER CHANDLER coughs into her hand)

Ugh, I'm gonna be spitting up drain cleaner for eternity.

VERONICA

Technically, I didn't kill Heather, I know that. But I still feel bad. But... not as bad as I should. And that makes me feel worse.

Lights change. DEAD HEATHER CHANDLER follows VERONICA to HEATHER DUKE and HEATHER MCNAMARA, who are cleaning out a locker.

DEAD HEATHER CHANDLER

What are those two doing?

VERONICA approaches to get a better look.

VERONICA

Looks like they're cleaning out your locker.

DEAD HEATHER CHANDLER

Who told them they could do that? I did not give them permission. *(agitated)* Veronica, tell her to stop touching my stuff. Veronica? Veronica!!

VERONICA

(to DEAD HEATHER CHANDLER) Shut up, Heather!

HEATHER DUKE turns, seeing VERONICA for the first time. She mistakenly thinks VERONICA is talking to her.

HEATHER DUKE

No, Veronica. You shut up!

HEATHER DUKE holds a red scrunchie above her head.

I don't have to shut up any more.

Music sting as HEATHER DUKE strikes a dramatic pose, then affixes the scrunchie to her own hair, admiring herself in a mirror inside the locker door.

HEATHER MCNAMARA

Hey—that's Heather's scrunchie.

HEATHER DUKE

Heather Chandler is gone. It's up to me to replace her.

VERONICA

Replace Heather?

DEAD HEATHER CHANDLER

Please.

HEATHER DUKE eyes VERONICA coldly.

HEATHER DUKE

You need to worry less about me and more about your reputation. Kurt and Ram have been telling the whole school about your little cow pasture make out session.

J.D. walks up, overhearing this.

J.D.

Make out session?

VERONICA

That's a lie! Nothing happened!

HEATHER DUKE

I'm just reporting what I heard. Kurt and Ram have been talking.

END

RAM and KURT enter, laughing with some MALE STUDENTS.

KURT

Veronica Sawyer was out of control last night!

RAM mimes starting up a chainsaw.

RAM

She was all like—Rrrrrrrroooooowwwwww!

HEATHER DUKE

They said you were—
